Main Page

Welcome to the official **TYPO3 Content Management System** wiki!

The purpose of this wiki is to optimize the <link>http://typo3.org/documentation/ _blank official OpenOffice documents</link> by teamwork. See the changes of 1 day / 7 days. Currently we have 0 pages in different languages. You can navigate through the wiki by this main page, the upper menu bar, the search, and by browsing through the tags. You're welcome to add tags to pages. Read how we manage the workflow in the wiki. As a wiki, we also have a WikiNode.
